

# DANCE is...

My feet are moving  
Like a tiger  
My hands are shaking  
Like a seal moving through the water  
When I feel the beat moving  
I feel like grooving  
People look at me  
Like I am the sun  
With bright light

Dancing to the  
Rhythm of Africa  
Under Victoria Falls  
Makes me excited.

She is dancing on a tree  
Looking at the sea  
Jumping on ground  
Shaking round and round

— **Farzana Afrin, P.S. 315, 3rd grade**

I dance to music  
It makes me smarter and brighter  
Like, I'm getting better  
My body dances to the beat  
My mom calls me to eat  
And the pot always brings heat  
It goes to my feet.

— **Fritzgerald Leroy, P.S. 315, 3rd grade**

Dad, you could dance  
A dance about Africa  
Nice of you to give me something  
Can do that dance  
Easy

— **Keyanna Sweeney, P.S. 315, 3rd grade**

# DANCE

A woman  
A man  
Dressed in yellow and black  
Drums and sticks  
In the middle of the night  
Outside  
On the grass, dancing  
Freedom  
For people to leave them alone.

— **Sydney Bosse, P.S. 315, 3rd grade**

I dance during the day  
I dance when I am joyful, lovable and  
happy  
I dance when I have to go to school  
I always dance  
Because I am the only one with the  
dancing moves  
I dance in a dress that flies in the air  
I dance to move my bones  
I dance to sleep  
I dance in my room and  
I dance in the kitchen with a broom  
I dance in hearts and rainbows

— **Latisha, P.S. 315, 3rd grade**
