

SISTER DELE

Generous...

...helpful...

...fearless and

kind...

Just a few words that quick come to mind

About a Force of Nature...

That's neither *earth nor wind nor fire*

No!

I speak of Sister Dele..YO!

For *SHE* comes from good source and

WILL return to her culture.

Sister Dele comes from good source and

WILL return to her culture.

From the "Raw-ways" of New Jersey

To Africa and back

And destinations between

She's made an impact

Teaching in schools...even prisons

Yet a mother to all

Her message, simply...*GET UP!*

Whenever you fall

For *SHE* comes from good source and

WILL return to her culture.

— by the Students of Class 5-417 at P.S. 315; Gregory Holtz, Sr., Artist-in-Residence

Dancing with sister Dele makes me enjoy myself. Dancing is happy, relaxing and fun. Sometimes I hate dancing in front of people but Sister Dele is a really nice young lady. She teaches you what dancing is all about and she teaches wonderful things about dancing. I hope that I could dance with her more doing other fun stuff. We love to dance!

— Roanessor Pierre, student of Dele Husbands

Sister Dele comes from good source and

WILL return to her culture.

"Slap shuffle step! Slap shuffle step!"

Went BOJANGLES!

As he tapped his rhythms into her young head.

"Omm dum dum dum! Omm dum dum dum!"

Said THE DRUM!

Moving her young feet as soul and spirit were fed,

The Slop...Four Corners

Dances she learned as a kid

As elders all marveled at how well she did

For *SHE* comes from good source and

WILL return to her culture.

Sister Dele comes from good source and

WILL return to her culture.

Active...

Energetic...

Entertaining...

Sister Dele's Inspiring

She shows us Respect

How could I *NOT* be Admiring

And teaches Patience...

Determination...

While giving Unconditional Love

That she, herself, learned from God above

For *SHE* comes from good source and

WILL return to her culture.

Sister Dele comes from good source and

WILL return to her culture.
